We believe real hope & peace can be found in a personal relationship with Jesus Christ.

We love introducing people to Jesus by reading the Bible with them and sharing how he transforms our lives today.

If you'd like to learn about Jesus, email us and let us know if you'd like to:

- 1. Join us at church on Sunday; or
- 2. Join a course specially designed for people exploring for the first time; or
- 3. Read the Bible with someone one to one.
